IP-Inpatient, OP-Outpatient, DN- Dental, PH- Pharmacy

[1] Hospitals dispensing prescribed pharmacy services for their own patients.
[2] Providers will be available in the Network of such services (Home Nursing, IVF, Dialysis and Rehabilitation) are covered in the respective plan SOB.
[3] The Hospitals within Network '06' and '08' offer inpatient only service (treatment or services rendered during hospital stay, for example – room charges, surgeries, professional fee etc.) as per the respective policy terms and conditions. For outpatient services (services rendered without a hospital stay, for example, - visits to doctors, prescribed medicines, lab tests, etc.), and will be managed within the Aster Healthcare Group. Please refer to other health service providers (Diagnostic Centers, Polyclinics and Pharmacies) within the network list.

*** SKMC and Tawam Hospital and its affiliated providers will continue to be covered under existing policies as per their respective plans terms and conditions**

For new policies effective 24th August 2014, SKMC and Tawam facilities will be available only incase of emergencies or where a treatment is not available with any other providers.

Important Note:

Specific Hospitals may have been included or excluded for your policy. Please refer to your Schedule of Benefits for this information. Please note that our Network Directories are continuously updated as we establish new agreements with quality health service providers within the territories specified in your plan. Daman reserves its right to remove Health Service Providers from this list for any reason, without notice to you. Therefore, you are expected to verify the participation status of a Hospital by contacting our Customer Service Centre (by calling on the toll free number mentioned on your Daman Card) before choosing any treatment or service. While every effort is made to ensure the accuracy of the content of the Daman Network Directory, we cannot be held liable for typographical errors, errors of fact, or any other error or inconsistency found in this directory.
