Coverage for Dental Services in the network will be based upon your Schedule of Benefits and Policy terms and conditions

[1] The Hospitals within Network '06' and '08' offer inpatient only service (treatment or services rendered during hospital stay, for example – room charges, surgeries, professional fee etc.) as per the respective policy terms and conditions. For outpatient services (services rendered without a hospital stay, for example, - visits to doctors, prescribed medicines, lab tests, etc.), and will be managed within the Aster Healthcare Group. Please refer to other health service providers (Diagnostic Centers, Polyclinics and Pharmacies) within the network list.

Important Note:

Specific Health Service Providers may have been included or excluded for your policy. Please refer to your Schedule of Benefits for this information. Please note that our Network Directories are continuously updated as we establish new agreements with quality health service providers within the territories specified in your plan. Daman reserves its right to remove Health Service Providers from this list for any reason, without notice to you. Therefore, you are expected to verify the participation status of a Health Service Provider by contacting our Customer Service Centre (by calling on the toll free number mentioned on your Daman Card) before choosing any treatment or service. While every effort is made to ensure the accuracy of the content of the Daman Network Directory, we cannot be held liable for typographical errors, errors of fact, or any other error or inconsistency found in this directory.
