

NTID

Applied Liberal Arts AS Program Outcomes Assessment

Plan and Report for AY 2012-2013

Program Goal: To prepare students for transfer into the baccalaureate programs offered by the College of Liberal Arts

Critical Outcomes for all Students		Performance Criteria/Benchmarks		Timeline		Results	
Domain/Task/Capability	Performance Criteria/Benchmarks	Instrument/Opportunity	Assessment of Performance	Develop	Collect	Summarization of Results	Use of Results
Success in Program	Students will make satisfactory progress in AS program	Courses in NTID, CLA and COS	75% of students will make satisfactory progress in completing required courses with a "C" or better in AS program	Review of transcripts of students in the program	Annual Spring Quarter review commencing the first year program is implemented	100% of two students taking AoE earned a C or better. 63.6% of the 11 students in Intro. to Psychology earned a C or better. 100% of 5 students taking Modern History earned a C or better. 83.3% of students taking Foundations of Sociology earned a C or better. 64.3% of students who took Writing Seminar earned a C or better. 100% of 3 students who took Fine Arts:Visual Arts earned a C or better. (Data represents up to 2124 from new students entering fall 2012).	Averaging out all of the 5 percentages comes to 82.24%. Students will be monitored for both Psychology and Writing Seminar courses through tutoring and advising.
Transferability	Students completing AS degree will be accepted into CLA majors	Student transfer rates	75% of graduates will be accepted into a CLA major	Review data on students' acceptance into their concentration in CLA program	Annual data collection starting two years after AS program is implemented. Administered yearly (Spring Quarter) to 2nd year students	Of the 13 APPLA-AS graduates from the September 2012 – August 2013 cohort, 8 are currently registered in BS plans (66.67%). Of the 8 currently registered students: 2 of the 8 students currently enrolled in BS degree programs, 75% are in a CLA program. The other two are in MGMT-BS and INFOSEC-BS programs.	Program goals are met. Will continue to monitor and utilize advising with students.

Success in BS program (Retention)	Program will prepare students for success in CLA major	Student retention rates in AS and BS programs	Retention rates in AS and BS programs match those of other NTID transfer programs	Review data on students' retention rates in AS and BS programs	Annual data collection starting Spring Quarter after AS program is implemented	no data collected this year	n/a
Success in BS program (Graduation)	Program will prepare students for success in CLA major	Student graduation rates in AS and BS programs	Graduation rates of AS students from AS program and CLA majors match those of other NTID transfer programs	Review data on students' graduation rates from AS and BS programs	Annual data collection starting Spring Quarter after AS program is implemented	No data collected	n/a
Student Satisfaction	80% of students will indicate overall satisfaction with the AS program and courses	Student Satisfaction Survey	80% of AS graduates will indicate they are "satisfied" on 2 survey questions: one related to overall program satisfaction and one related to satisfaction with courses.	Develop questionnaire and review data based on their responses.	Administered yearly starting Spring Quarter after AS program is implemented.	Of the three that completed the survey, two reported being very satisfied with the program, and one reported being satisfied with the program.	This meets program satisfaction expectations (80% required) by 100%.
