

NTID
First Year Experiences Outcomes Assessment
Plan and Report for AY 2005-2006

Program Goal: Increase success & retention of first-year students

Critical Outcomes for all Students		Assessment of Outcomes		Timeline		Results	
Domain/Task/Capability	Performance Criteria/Benchmarks	Instrument/Opportunity	Assessment of Performance	Develop	Collect	Summarization of Results	Use of Results
SVP Support students in their transition to college life	95% of SVP students will register for fall quarter courses	21-day report		Developed 2004	Collected 2004 & 2005	2004 results - 99% (166/167) 2005 results - 99% (189/190) successfully completed SVP and registered for fall quarter classes.	Model SVP 2006 programming to ensure a successful transition from Orientation to fall quarter.
Students will indicate satisfaction with the transition components of the SVP program	80% of SVP students will express satisfaction with SVP	SVP evaluation	Percent who answered "yes" to the question "Did SVP help you prepare for college life at NTID/RIT?"	Developed 2004	Collected 2004 & 2005	2004 results - 67 out of 91 respondents (74%) expressed satisfaction. 2005 results - 133 out of 147 respondents (90%) expressed satisfaction. (Average of two years is 82%)	Continue to survey students at the end of SVP using the same format applied in 2005: pen/paper survey administered after closing ceremony; modify orientation program based on what respondents say helped prepare them for college life at NTID/RIT.
FYE Support retention of first year	90% of first-year NTID students registered for	Final grade report	Grade of "C" or higher in the FS course	Developed 2004	Collected 2004	AY 2004-2005 results - 162 out of 178 students (91%) received	Encouraging results indicate successful

students	<p>Freshman Seminar will successfully complete the course (Does not include students who withdrew or failed then repeated the course.)</p> <p>75% of first year students will return fall quarter of their second year</p>	21-day report of fall quarter, second year	Full-time, second year students registered for fall-quarter courses	Developed 2004	Collected 2004	<p>a grade of C or higher in the FS course during qtrs 041, 042, 043.</p> <p>Results for AY 2004-2005: 127 out of 166 students (77%) successfully completed their first year and registered for fall quarter of their second year.</p>	<p>completion. Students who fail the course are given an opportunity to repeat it the subsequent quarter. This will be continued.</p> <p>Encouraging results, however, our goal is to increase first-year retention to 80% by next academic year. Strategies to improve to this benchmark are in place for this academic year.</p>
<p><u>NCXU Students:</u> Provide career exploration activities to assist qualified students with declaring a major within 3 quarters</p>	80 % of students will be accepted into a major within 3 quarters (Excludes students who leave or are suspended.)	Change of program application form	New program code	Developed 2004	Collected 2004 & 2005	Analysis will be completed and results will be posted by the end of March, 2006.	Use of results will be posted by the end of April, 2006.
<p><u>NCXP Students:</u> Provide support to students completing prerequisite and introductory courses while</p>	75% of students in Level A reading, writing &/or math will pass Level A coursework within 3	Final grade report Change of program	Grade of "D" or higher in Level A reading, writing &/or math. New program	Developed 2004 Developed 2004	Collected 2004 & 2005 Collected 2004 & 2005	Analysis will be completed and results will be posted by the end of March, 2006.	Use of results will be posted by the end of April, 2006.

preparing for acceptance into a major	quarters 90% will be accepted into a major within their first 5 quarters at NTID. (Excludes students who leave or are suspended.)	application form	code
