### Vocational Rehabilitation

Your local VR office may be able to provide you with a number of state-supported resources related to employment options for people with disabilities. Some states provide funding for programs such as Advanced Tech Careers and other services for deaf or hard-of-hearing students starting out on their career search. If you have not done so, now is the time to make the connection with your local VR office. For a list of VR offices in the U.S., visit: [rit.edu/ntid/tuition/state-by-state-vr](http://rit.edu/ntid/tuition/state-by-state-vr)

Please have a parent or guardian sign here if you are receiving Vocational Rehabilitation (VR) funding.

Advanced Tech Careers staff will compile career evaluation information for you based on your attendance at the Advanced Tech Careers program. VR requires this information if they are financially supporting your participation. Your parent's or guardian's signature gives us permission to release this information about you to your VR counselor.
