

Winding down the term and the excitement of launching a new crop of graduates signals the coming of summer. Faculty Career Development (FCD) thanks the more than 90 faculty who joined us at our end of year coffee event on May 1. Many shared summer plans and relaxed over coffee after a long spring semester. The conversation was great!

Have you made any plans for your time away from campus? Let us suggest a couple of resources for summer reading . . .

**Faculty Career Development** provides a subscription for all faculty to *Academic Leader* and *The Teaching Professor*. As a member of our campus community, these resources from Magna Publications are available at no cost to you.

There are two ways to access the latest content or browse the archives:

1. **On-campus:** Go to [www.magnapubs.com/group](http://www.magnapubs.com/group) to view RIT's group subscription content at Magna. It is not necessary to create an account or log in to access the subscription on-campus.
2. **Off-campus:** For full instructions on accessing RIT's group subscription from an off-campus computer, you will need RIT's unique Authorization Code. [Click here for the code and detailed instructions](#). Authentication is required using your RIT username and password. **Do not share this code with non-RIT faculty or staff.**

We are already planning Fall activities which include an adjunct faculty orientation on August 7 and new faculty orientation on August 15-17. Stay tuned for more exciting events coming from Faculty Career Development to a mailbox near you!

Your FCD team,

Cheryl Herdklotz and Anne Marie Canale
