- Domestic partner definition
  - same sex or opposite sex
  - meet certain criteria
- Tax implications for employee
- Forms to complete
  - Affidavit for Domestic Partnership with partner’s signature required
  - Application for Domestic Partner Benefits

Medical/Rx Coverage

- RIT’s Medical Care Plan is self-insured and administered by (claims paid by) Excellus BlueCross BlueShield
- Rochester area plans are Point of Service (POS) Plans: POS A, POS B, POS B No Drug, POS D
- Outside Rochester area a Preferred Provider Organization (PPO) plan is available: Blue PPO
- Prescription drug coverage is separate from medical coverage but you are automatically enrolled (unless you elect the POS B No Drug plan)

Key Terms and Concepts

- Copay is the dollar amount the patient pays for a service (e.g., $25 for an office visit)
- Deductible is an annual amount the patient must pay before the plan begins to pay (e.g., $300)
- Coinsurance is the percentage of eligible expenses the plan pays and the percentage the patient pays (e.g., plan pays 80%, patient pays 20%)
- Out-of-pocket maximum (OOP) is the most a patient will pay in a plan year for covered services before the plan pays 100% of covered services for the remainder of the year; “covered services” for this purpose are a combination of the deductible and patient’s portion of coinsurance

In-Network and Out-of-Network Coverage

- Worldwide coverage for emergencies and urgent care
  (contact PCP to ensure any referral paperwork is completed)

RIT and Rochester Regional Health (RRH) Strategic Alliance
- RIT has a strategic alliance with one of the area’s major health systems, Rochester Regional Health (RRH), providing several benefits for RIT employees
- RRH Copay Option - there is a lower copay for certain medical services from RRH providers compared to other providers. Refer to the Medical Benefits Comparison Book for details.
  - Copay reduction does not apply to tests, treatments or any other services (e.g., allergy shots, chiropractic services, x-rays, etc.)
  - ID card has the RRH and non-RRH copays
- RRH Find a Physician Service (phone or web)
- Physician list on HR website, periodically updated by RRH
- On-campus state-of-the-art primary care practice called Rochester Regional Health Family Medicine at RIT; $10 copay for office visit if covered under RIT’s medical coverage

Choosing a Primary Care Physician
- For the POS plans, you must choose a Primary Care Physician (PCP) before coverage will be effective
- Physician at Rochester Regional Health Family Medicine at RIT is accepting new patients
- Other RRH physicians
  - Physician list on HR website, periodically updated by RRH
  - Use the RRH Find a Physician service
  - www.rit.edu/benefits
  - Excellus BCBS has on-line PCP search capability at www.excellusbcbs.com/rrh

Reminder: $10 copay for office visit at the on-campus practice under RIT’s coverage

RIT’s prescription drug coverage is self-insured and is separately administered from the medical plan
- Administered by pharmacy benefit manager (PBM), OptumRx
- Separate ID card for prescription plan
- Cannot purchase this coverage separately
- The published employee contribution amounts are a combined amount – include medical and Rx
- Automatically covered if you enroll in an RIT-offered medical plan (except no Rx coverage for POS B & No Drug):
  - 3-Tier plan design
    - Tier 1: generic
    - Tier 2: preferred brand
    - Tier 3: non-preferred brand

The PBM Plays Two Roles
- Administration
  - Contracts with retail pharmacies for negotiated pricing
  - Establishes list of Tier 2 drugs (preferred brand name), excluded drugs, recommends clinical rules for patient safety and plan costs
  - Claims processing and payment for all participating retail pharmacies
- Ownership and running of the mail order pharmacy and the specialty pharmacy
  - You can fill your maintenance medication through mail order
  - Any specialty medications (typically very costly and complex for treatment of serious conditions like rheumatoid arthritis, multiple sclerosis, and certain cancers) must be filled by Briova, Optum’s specialty pharmacy
  - Highly-trained pharmacists and patient care coordinators work with patients

Important Information
- Optum’s committee of physicians and pharmacists selects the Tier 2 medications based on effectiveness and cost; list changes periodically
  - If you are impacted by a change, Optum will send you a letter
  - If an FDA-approved generic is available and you choose (or your doctor prescribes) a brand medication, you pay the difference in cost between the generic and brand as the brand name copay
  - Some medications are excluded, standard PBM practice
    - To address large price increases from pharmaceutical manufacturers
    - Other less costly and at least equally effective alternative products are covered
  - Utilization management programs for patient safety and plan costs
    - Quantity limits (e.g., migraine medication)
    - Step therapy (e.g., try and fail with Medication A before Medication B is covered)
  - Prior authorizations
    - Contact Optum for questions about appeals for medical necessity
Purchasing Your Medications

- Wegmans is RIT’s preferred pharmacy
- Your copay for prescriptions will be lower when purchased at Wegmans than at other participating retail pharmacies.
- Many other retail pharmacies do participate with OptumRx but your copay will be higher at retail pharmacies other than Wegmans
- You can purchase your maintenance medication in a 90-day supply at Wegmans or through OptumRx mail order
- You cannot purchase a 90-day supply at any other retail pharmacy
- All your prescription drug information is in the OptumRx system whether you purchase at Wegmans, other pharmacies or OptumRx mail order
- Show your ID card for all purchases, even if you have POS D (you will receive the negotiated discounts)

Picking the Right Plan

- The plan with the largest payroll contribution is not necessarily the best plan
- The plan with the smallest payroll contribution is not necessarily the least expensive plan overall
  - Consider what your current health care needs are
  - Use worksheet (online or in your packet) to review anticipated medical needs and associated costs
  - Review coverage differences and copay amounts (office visits, etc.)
  - POS A, B, B No Drug, and D have the same participating physicians and hospitals and cover the same medical services (2 exceptions*)
  - You pay different amounts for services, depending on the plan
  - *POS A has coverage for hearing aids and replacement of a functioning cochlear implant processor; the other plans have no coverage for these services

OptumRx Website

- Access information and update your information on the secure OptumRx website at www.OptumRx.com/MyCatamaranRx
  - Important to use this URL because there are different URLs for different Optum clients
- Print temporary ID card
- Find important coverage information
- If medication is covered
- What the drug tier is
- What your costs would be
- If there are any special rules
- If using mail order
  - Order refills or renewals
  - Sign up for e-mail reminders to order refills
  - Some medications have option for automatic refill

Picking the Right Plan (cont’d)

- Most in-network services covered with copays
- Most out of network services covered by deductible and coinsurance (different amounts under the various plans)
- Out-of-pocket maximum (OPP) limits your exposure for medical and prescription drug costs
- Certain preventive care services are covered in full when provided by in-network providers (routine eye exam covered with a copay)
  - Copay could apply in some cases when the original purpose was a routine physical (e.g., discussion of your sprained ankle)
- Prescription drug coverage
  - Coverage under POS A and B is the same
  - POS B No Drug has no prescription drug coverage
  - POS D has different prescription drug coverage
Where is Your Family?

- Is your family here in the Rochester area now? Will they be moving here? When?
  - Does your spouse have coverage available at your previous home?
  - Do you have information on spouse's coverage and rates?
  - Does it make sense for your spouse to carry your coverage or for spouse to cover family at previous home and you have individual coverage through RIT?

Questions

- Any questions about the medical/Rx coverage?

Vision Care Coverage

- Coverage provided by VSP
- Primary benefit is eyewear
  - POS medical plans cover routine and diagnostic eye exams
- Routine eye exam, with $15 copay (if provider determines that exam is not routine, claim should be submitted to medical coverage)
- $20 copay for eyeglasses
- Lenses covered in full
  - Single vision, bifocal and trifocal, and progressive lenses
  - Polycarbonate for children
  - Coatings (e.g., anti-scratch) are extra, but there is discount
- Frames covered up to $130 (2016 special-extra $20 off from some manufacturers)
  - Plus, 20% off the amount over your allowance
- Coverage available every year

Questions

- Any questions about the Vision Care Plan

Using Your Benefit

- Extensive national network of providers; to find a provider:
  - Sign on to www.vsp.com
  - Call (800) 877-7195/v and (800) 428-4833/TTY
- Your ID# is your University ID (UID)
  - Information about your UID at end of presentation
- There are no ID cards
  - You can print a Member Vision Card from VSP website
  - Make an appointment and tell them you’re a VSP member
  - The provider takes care of all the paperwork

Dental Coverage

- RIT’s Dental Care Plan is self-insured
- Administered by (claims paid by) Excellus BlueCross BlueShield
- Three service categories (one plan)
  - Preventive: 100% of Usual and Customary Charge (UCC) – oral exam, 2 cleanings per year, x-rays, etc.
  - Restorative: $25 per person annual deductible ($50 for two person and $75 per family) - Plan pays percentage up to $1,250 per calendar year per person
    - Minor Restorative (e.g., fillings) covered at 80%
    - Major Restorative (e.g., crowns) covered at 50%
  - Orthodontia: 50% up to $1,250 per lifetime for children under age 19
  - Full benefit when you go to Blue Shield participating dentist
  - Have dentist complete a pre-determination of benefits to understand your out-of-pocket costs for minor or major restorative services
Questions

- Any questions about the dental plan?

Flexible Spending Accounts (FSA)

- Tax Savings/Incentive - save on federal and state tax for eligible health care and and childcare expenses.
- RIT calls this benefit Beneflex, administered by Lifetime Benefit Solutions (LBS), an Excellus company
- Participation begins 1st of month on or after date of hire
  - if you are hired on the first of the month, coverage starts on date of hire
- Two parts to Beneflex Plan
  1. Flexible Spending Accounts (Health Care & Dependent Day Care)
  2. Pre-tax contributions for medical, vision and dental coverage
- IRS limits amounts for tax free payments under FSAs
  - Health Care - $2,550 cap per employee per calendar year
  - Dependent Day Care - $5,000 cap per family per calendar year
- These limits are for all employers combined

Beneflex - Health Care Account

- Eligible expenses include those eligible for a medical tax deduction as described in IRS Publication 502 (see HR website)
  - To see qualifying expense list go to https://www.lifetimebenefitsolutions.com/participants/fsa/flexible-spending-account-qualifying-expenses-list/
- Eligible family members are generally those you can claim as dependents on your federal tax return even if your child is not reported as a tax dependent
- Employee or family members do not need to be covered under RIT’s medical, vision and/or dental plan
- Health Care FSA is different than a Health Savings Account (HSA)
  - HSA only available when there is high deductible health plan (HDHP)

Beneflex - Dependent Day Care Account

- Eligible expenses include those described in IRS Publication 503 (see link on HR website), Examples include:
  - Child care centers
  - Family daycare providers
  - Nursery schools
  - Caregivers for a disabled dependent
- Eligible dependents are your:
  - Children under 13 who you claim as dependents for federal income tax purposes, OR
  - Spouse, children of any age or other federal income tax dependents who are disabled, incapable of self-support (or who need full-time attention) and who are at home at least eight hours each day.

How Beneflex Works

- Determine amount to elect based on expected eligible expenses
  - Estimate expenses from participation date to December 31st for you and eligible dependents
  - Use worksheets in Benefits Reference Guide or HR website
  - Amount deducted pre-tax from each paycheck for remainder of the calendar year
- Pay approved healthcare and dependent care providers with the LBS Visa® Card or pay out of pocket and submit claim form for reimbursement
  - You can use the card as your method of payment for the OptumRx prescription mail order pharmacy or at your Wegmans Pharmacy (also Wegmans Free Home Shipping)
  - You don’t pay tax when amount comes out of your paycheck or when funds come out of your account
  - You will automatically receive two cards
  - There will be a $5 charge for each additional card

Beneflex Example

- Assuming a participation date of July 1
- You have monthly prescriptions with a total copay of $100 for a total of $600 from July 1st through December 31st
- You will purchase eye glasses for $150 (after vision care coverage)
- Total of $750 deducted over 12 pay periods at $62.50 each
- Pay provider
  - With the LBS Card (funds come out of your account); OR
  - Pay out of pocket and submit claim for reimbursement-do this if you coordinate coverage with another plan
Important Information

- You will typically use the LBS Card for copays, deductibles, and coinsurance.
- Save your receipts and claim reimbursement documentation:
  - Benflex claims are subject to review and audit by LBS and if you are audited by the IRS.
  - Proof of each transaction may be required (LBS may send you a letter requesting copies of the receipts or statements).
  - If you inadvertently pay for a non-allowable expense with your LBS Card, you will be required to repay the non-allowable amount back to keep your account tax-free.
  - You can submit a claim form for reimbursement if you do not have your LBS Card with you when you incur an eligible expense, and pay for it out of pocket or the provider does not accept credit cards.
  - Reimbursements are typically processed weekly with a $30 minimum payment amount.

Other Important Information

- IRS Regulations:
  - Annual election — you must re-enroll every year (i.e., will not continue automatically year to year).
  - You cannot change your contributions during the year unless you have an IRS-approved change in status event.
  - Use it or lose it — estimate carefully.
  - RIT adopted the IRS-allowed grace period; submit expenses with date of service through the next March 15.
  - Deadline of April 30th each year to manually submit eligible claims.
  - You can submit manual claims online and track your claims and reimbursements on the LBS website.
  - Go to http://www.lifetimebenefitsolutions.com/.

Accessing Your Account

- Health Care Spending Account
  - Access to your full annual election immediately.
- Dependent Day Care Spending Account
  - Access only to the amount you have contributed.

Life Insurance & Accidental Death and Dismemberment (AD&D)

- Group Term Life (GTL) and Accidental Death & Dismemberment (AD&D) Insurance:
  - Coverage for you, your spouse/domestic partner, and your eligible children.
  - Coverage begins first of month on or after date of hire.
- Business Travel Accident Insurance:
  - Coverage for you while traveling on RIT business (not commuting).
  - Coverage begins on date of hire.

RIT-Provided Insurance

- Basic Life and Basic AD&D
  - Full-time employees are automatically enrolled.
  - 2 times your annual base pay (maximum of $100,000).
- Business Travel Accident:
  - Coverage for traveling on RIT business only, not for commuting to and from work.
  - $100,000 payable to your beneficiary if you die in an accident.
  - Benefit also payable (%) if you are disabled or seriously injured.
Employee Supplemental Insurance

- Life and AD&D coverage for full time and extended part-time employees
- Elect 1.5 times your base pay, maximum coverage amount of $750,000
- Supplemental Life
  - Any level over 2 times your salary requires Evidence of Insurability (EOI) process and approval from insurance company
- Supplemental AD&D
  - No approval required
- After-tax payroll deduction

Potential Taxes on Life Insurance

- Under IRS regulations, the premium value of your Basic and Supplemental Life insurance in excess of $50,000 is taxable to you (first $50,000 is tax-free)
- The taxable amount is calculated each pay period and shows (if applicable) on your paystub in the Earnings section as “GTL Imp Inc.”
  - Offset by your Supplemental Life deductions, if any
  - Based on your age, the younger you are the lower the amount
- If you do not need much life insurance and don’t want to pay additional taxes, you can elect $50,000 only of Basic Life
- Future increases subject to insurance company review and approval

Dependent Life and AD&D Insurance

- Spouse/Domestic Partner coverage
  - Choose $25,000 or 1.5 times your base pay, with a maximum of $750,000 (can’t exceed employee’s Basic + Supplemental)
  - EOI process/approval from insurance company for life insurance, if amount over $50,000 (no approval for AD&D)
  - Life insurance cost based on employee’s age and spouse’s smoking status
- Child coverage
  - An eligible child is the natural or adopted child of the employee or the employee’s spouse who is under age 26 who relies on employee for support and maintenance (does not have to be a tax dependent)
  - Choose from $0.00 or $10,000
  - Same cost regardless of number of children
  - No EOI required

Beneficiary Designation

- Complete a beneficiary designation for your life and AD&D coverage and keep it up to date
- Payment will be made to the named beneficiary even if your personal situation has changed (e.g., you didn’t change your designation after a divorce; beneficiary could be your ex-spouse)
- You are the beneficiary for dependent life/AD&D
- Prudential administers beneficiary designations (RIT code 50757)
- Go to www.prudential.com/mybenefits and set up a login and enter beneficiary information, OR
- Call Prudential at 1-800-778-3827/TTY and 1-800-496-1214/TTY with questions or to request a beneficiary designation form

Questions

- Any questions about Life Insurance?

Salary Continuation: Exempt Staff and Faculty

- Pay continuation for intermittent days (no more than 5 consecutive days) if you are not at work due to
  - Your own illness
  - A family member’s illness
  - Paid at 100% of regular base pay
Absence Reporting

- Prudential provides disability and absence management services to RIT
- Notify supervisor when absent prior to the start of work shift
- Contact Prudential to report absences under the established criteria as outlined on next slide
  - Toll-free: (877) 908-4778
- Prudential will coordinate paperwork and determine which absences qualify for short-term disability (STD) and Family Medical Leave Act (FMLA)

When Should You Contact Prudential?

- You will be absent for more than three days and are under a physician’s care
- You are hospitalized for any amount of time
- You are caring for an ill or injured qualified family member (spouse, parent, or dependent child)
- You are pregnant or are absent from work due to pregnancy complications
- You will be absent periodically due to a chronic or permanent disabling condition of your own or a qualified family member
- You are caring for a newborn child, recently adopted child, or new foster child.
- You are absent due to a lost-time, work-related injury – after first reporting it to your supervisor
- Your spouse, child or parent has been called to active military duty
- Your caring for a spouse, or child who is a covered service member and is undergoing medical treatment for a serious illness or injury (up to 26 weeks)

Short Term Disability (STD)

- Coverage begins on date of hire when coming from a covered employer (in other cases, it would be 4 weeks from date of hire)
- Non-work-related illness or injury
- Following one week absence (waiting period), plan pays benefits for up to 26 weeks
- Duration based on your physician’s report and Prudential’s approval
- Waiting Period
  - Faculty & Exempt Staff – Salary Continuation
  - Non-Exempt Staff – Sick/Personal Time
- STD benefit pays
  - 100% of base pay for up to 8 weeks, then
  - 80% of base pay for up to 18 weeks

Short Term Disability-Maternity

- Under New York State law, the period of time following the birth of a baby is considered short-term disability
- The New York State standard period of time for maternity disability leave is six weeks following birth
- RIT provides eight weeks of maternity disability leave following the birth of your baby (includes the one week waiting period)

New Parent Leave

- Paid bonding leave for regular faculty and staff who become parents following the birth or adoption of a baby
  - The leave must be taken before the child’s first birthday
  - Four weeks of paid leave for the primary caregiver and two weeks of paid leave for the secondary caregiver
  - Primary caregiver is defined as the parent who spends the most time with the child and provides most of the everyday aspects of care
  - Secondary caregiver is defined as the parent who shares child-rearing responsibilities with the primary caregiver
  - When both primary and secondary caregiver are RIT employees, each is entitled to their own time off; one of the employees is the primary caregiver and the other is the secondary caregiver
  - The leave may be taken either as a block of time or intermittently
  - Contact Prudential to report your leave

Long Term Disability (LTD)

- Coverage begins first of month on or after date of hire for full time employees
- Basic Long Term Disability
  - Benefits would begin after 6 months of total disability (disability must begin after LTD eligibility date) and approval from insurance company
  - Basic benefits = 60% of base salary, $7,000 monthly maximum, offset by other income
- Supplemental Long Term Disability
  - Purchase additional 10% of salary
  - $10,000 monthly maximum (Basic plus Supplemental), offset by other income
- No EOI process for insurance company approval if enroll as new employee (EOI is required if enrolling after first eligible)
Pre-Existing Condition-LTD

- No coverage for a disability that begins within 12 months of the effective date if related to a pre-existing condition
  - A sickness or injury for which you received medical treatment, consultation, care or services (including diagnostic services), or had taken prescribed drugs or medicine in the 3 months prior to the effective date
- If covered under prior LTD plan within 60 days of RIT effective date, Prudential may credit this time toward pre-existing waiting period.
- Does not apply to a new condition that occurs within first 12 months

Questions

- Any questions about the disability benefits?

Changing Your Benefit Elections

- Annual Open Enrollment held in the Fall for a January 1 effective date; enrollment completed online in Employee Self-Service in RIT’s HR/Payroll system
- Mid-year changes allowed for IRS-approved family status changes
  - Marriage, divorce, birth or adoption of a child, spouse gains or loses employment or child no longer eligible
  - Must notify Human Resources Department and complete the Benefits Enrollment/Change Form within 31 days of event (in some cases, can change plans)
- Change needs to be consistent with event according to IRS rules
- Provide proof of event (e.g., letter stating that spouse started a new job)

RIT Retirement Savings Plan

- All regular full-time, extended part-time, and part-time employees are eligible
- RIT’s plan is a 403(b) plan with employee and RIT contributions
- Employee contributions can begin 1st of month after date of hire
- RIT matching contributions begin 1st of month after 1 year of service
- Prior RIT service will generally count toward the waiting period
- Waiting period waived if coming directly from higher education with at least 1 year of consecutive service as regular full-time employee within three months of your RIT hire. Complete the verification form found in your benefits packet.
- A 403(b) plan is similar to 401(k) plan
  - Both are code sections under Internal Revenue Code
  - Elect a percentage to contribute before federal and state taxes calculated, both subject to FICA
  - You will be automatically enrolled with a 2% of pay contribution if you take no action

Contribution Options

- Traditional 403(b) - Contributions are made on a pre-tax basis - before federal and state tax, but subject to FICA tax
- Roth 403(b) – Contributions are made on an after-tax basis; qualified withdrawals are tax-free, including earnings
- Fidelity and/or TIAA representatives can help you understand which best suits your needs

Contribution Information

- For most employees IRS contribution limit for 2016 is $18,000
  - If age 50 or older on 12/31/16, 2016 limit is $24,000
  - Join the “Max Out Club” to contribute the maximum and we will automatically calculate your contribution each year (contact HR for the form)
  - 2016 limit includes your contributions to another plan (provide HR with the amount you already contributed so we can help you coordinate the limit)
- Accept direct rollovers
  - From prior employer plans (403(b), 401(k), pension plans), including Roth accounts
  - From Individual Retirement Accounts (IRAs)

**Retirement Plan Investments**
- Two Recordkeepers
  - Fidelity Investments
  - TIAA

- Fidelity is the Plan’s Master Administrator
  - Streamlined ability to enroll in the Plan and make changes to your contribution percentage, whether you contribute to Fidelity, TIAA, or both

- RIT has a Retirement Savings Plan Investment Committee made up of RIT employees
  - Committee works with an outside investment advisor to monitor the fund performance and fees for all available funds (they do not monitor the funds in the Brokerage Account)

**Investment Options**
- Tier 1: Series of Vanguard Target Retirement Date funds
  - Designed for retirement around the date in the fund’s title
  - Professionally managed funds
  - Investment allocation becomes more conservative as people move closer to retirement
  - Plan’s default is the Tier 1 fund closest to participant’s 65th birthday, or Vanguard Target Retirement Income Fund for those over age 65
  - If you are auto enrolled or if you enroll and don’t choose a fund, your contributions go to this fund

- Tier 2: Core mutual funds
  - Represent key asset classes to help you achieve a diversified portfolio
  - Passive/index vs. actively managed funds

- Tier 3: Annuities
  - Insurance contracts issued by an insurance company; similar to mutual funds - accumulate money until retirement
  - You can convert your annuity accounts to lifetime income (you get your payment every month) vs. buying an annuity from another source
  - You MUST complete a TIAA application (online or paper)
  - Separate applications for RIT Match account and employee contributions account

- Tier 4: Brokerage Account
  - About 10,000 mutual funds from many different fund families
  - For experienced investors who:
    - Have knowledge and expertise to research and evaluate large number of funds
    - Want to take personal responsibility for monitoring performance and fees of elected funds; the Committee does NOT monitor the Brokerage Account funds
    - Prefer greater choice than available under Tiers 1, 2, and 3
  - May have additional fees for investing in BrokerageLink

**Investment Options, cont’d**
- Tier 3 – Annuities
  - Insurance contracts issued by an insurance company; similar to mutual funds - accumulate money until retirement
  - You can convert your annuity accounts to lifetime income (you get your payment every month) vs. buying an annuity from another source
  - You MUST complete a TIAA application (online or paper)
  - Separate applications for RIT Match account and employee contributions account

- Tier 4 – Brokerage Account
  - About 10,000 mutual funds from many different fund families
  - For experienced investors who:
    - Have knowledge and expertise to research and evaluate large number of funds
    - Want to take personal responsibility for monitoring performance and fees of elected funds; the Committee does NOT monitor the Brokerage Account funds
    - Prefer greater choice than available under Tiers 1, 2, and 3
  - May have additional fees for investing in BrokerageLink

**Asset Allocation and Diversification**
- Asset allocation is the process of spreading money among stocks, bonds, and money market funds
- Diversification is the process of spreading out your investment within each asset class – investing in different companies, countries, business sizes, and industries
- Asset allocation + diversification = your investment mix
- Consider these key factors
  - Time horizon – how long until you retire and how long you expect you’ll need your assets to last
  - Risk tolerance – how willing you are to endure the market’s ups and downs in exchange for more long-term growth potential
  - Financial situation – including your lifestyle and assets
Benefits Orientation - New Faculty Orientation

Access to Account
- Plan's purpose is for retirement income
- Limited access to your account
- Employee and RIT matching contributions (and earnings)
  - Loans (Fidelity only)
  - In-service withdrawals after age 59½
- Employee contributions (no earnings)
  - Hardship withdrawals (certain restrictions apply)

Why Save for Retirement?
- Financial experts predict you will need about 80% of your pre-retirement income annually to maintain your current standard of living during retirement
  - A portion is expected to come from Social Security
  - You are responsible for the rest
- Future advantages
  - Power of compounding
  - Traditional - Power of tax deferral (you don't pay tax until you take the money out)
  - Roth - Don't have to pay tax on qualified withdrawals

Power of Compounding Example

Maria
Start Age 25
$10,000 contributed annually for 10 years
$100,000 Contribution

$1,353,932 VALUE AGE 67

$1,197,268

Tom
Start Age 35
$10,000 contributed annually for 35 years
$320,000 Contribution

Take Advantage of the Opportunity Now
- Start now by contributing an amount you are comfortable with
  - You can change your contribution amount at any time
- Consider enrolling for the annual automatic increase feature
  - Each pay increase date (July 1), your contribution will automatically increase to the amount you choose
- Contact Fidelity or TIAA for help with your investment selection

How to Join the Retirement Plan
- Since Fidelity is the Master Administrator, go to http://plan.fidelity.com/rit to enroll (even if you want to contribute to TIAA)
  - Click on the Get Started button
  - Or, call Fidelity at 1-800-343-0860 and 1-800-259-9734/TTY
  - If you contribute to TIAA, you MUST open an account at TIAA; if you do not, TIAA will return the funds to RIT and we will forward them to the Default Fund at Fidelity (the Tier 1 target retirement date fund nearest your 65th birthday)
  - You will generally begin to see your contributions deducted from your paycheck in the next one to two pay periods
  - More details in the "How to get started" guide in your new employee benefits packet

Automatic Enrollment and Automatic Increase
- Fidelity will send you information about the auto enrollment feature, but we encourage you to enroll directly
  - If you take no action, after about 2 months you will be enrolled at a 2% contribution in the Default Fund - the Tier 1 target retirement date fund nearest your 65th birthday
  - On each future RIT salary change date (currently July 1), your contribution will be increased by 1%
  - Will begin in the calendar year following your enrollment date
  - For example: hired September 2016, contribution would increase to 3% on July 1, 2017; increase to 4% on July 1, 2018, etc.
  - Simply log into the Fidelity site to elect a different percentage
Other Important Information

- You should name a beneficiary for the recordkeeper where you invest (Fidelity and/or TIAA)
- You can designate your beneficiary online or by paper form
- If you don’t, the Plan will determine who will receive the money
- When you become eligible for the RIT matching contribution, the RIT match will automatically start, if you are contributing to the Plan
  - If you are not contributing to the Plan, you must take action to contribute in order to receive the RIT contribution

Retirement Plan Changes

- Contribution changes are done on the Fidelity website or by calling Fidelity (even if you contribute to TIAA)
- Change your contribution percentage
- Change the recordkeeper allocation (Fidelity and TIAA) for your future contributions (NOTE: you must have a TIAA account)
- Change contribution type: Traditional pre-tax or Roth
- Investment changes
  - For your future contributions for investment options at Fidelity, go to the Fidelity website or call Fidelity
  - For your future contributions for investment options at TIAA, go to the TIAA website or call TIAA
  - Transfer your balance among available funds directly with Fidelity and/or TIAA
  - Transfer between TIAA and Fidelity, contact the recordkeeper where you want to send the funds
