

Rochester Institute of Technology Program Library

The following is the most current listing of academic programs offered at Rochester Institute of Technology, the degrees or other awards available in HEGIS designations and Registrar's coding for students in each program. Except as noted all degrees, diplomas, and certificate programs have been registered by the New York State Education Department. Programs that do not terminate with an award are labeled as "Non-Degree."

Dual degree programs that allow a student to complete the BS and MS at the same time are also noted. These programs follow several models:

- The BS and MS are from the same department and the student moves to year level 6 after he/she has completed a certain number of hours.
- The BS and MS are from different departments and the student moves to year level 6 after he/she has completed a certain number of hours.
- The BS and MS are from different colleges and the student moves to year level 6 after he/she has completed a certain number of hours.

The following degrees are offered at RIT:

CT	Certificate
DP	Diploma
AA	Associate in Arts
AS	Associate in Science
AAS	Associate in Applied Science
AOS	Associate in Occupational Studies
BS	Bachelor of Science
BFA	Bachelor of Fine Arts
ACT	Advanced Graduate Certificate
MS	Master of Science
ME	Master of Engineering
MBA	Master of Business Administration
MFA	Master of Fine Arts
MST	Master of Science for Teachers
PhD	Doctor of Philosophy

Text enclosed by parenthesis is information only and does not print as part of the program title.

If you have any questions concerning this Program Library, please contact Linda Parr, Manager of Records, at ext. 56519 or lkprgr@rit.edu

	SBS	BIOMEDICAL SCIENCES	4	BS	0499	26.0102

Note A: The program title for SSEG changed from "Undeclared Science" to "General Science Exploration" in July, 2003.

Note B: SMAB - Students must apply for the MS program through Admissions. This has not been separately registered with the State Education Department as a dual degree program.

Note C: The AS degree in "Applied Mathematics" may be awarded to qualified students in any of the mathematics programs.

*SMAD - BS and MS are from the same department. Student changes to year level 6 after completing 188 hours.

**SMAI - BS and MS are from the same department. Student changes to year level 6 after completing 184 hours.

***SMAK - BS and MS are awarded from different colleges. BS code = SMAK MS code = VCSJ Student changes to year level 6 after completing 189 hours.

****SMAN - BS and MS are from the same department. Student changes to year level 6 after completing 189 hours.

*****SMAZ - BS and MS are from different colleges. BS code = SMAZ MS code= EQAE Student changes to year level 6 after completing 188 hours.

*****SPSM - BS and MS are from the same college BS code = SPSM MS= SESP.
