Green Offices, Green Purchasing: A Workshop on Sustainable Practices

Tuesday, June 29, 2010 8:30am – 4:30pm

Hampton Inn & Suites, Yonkers, NY

Speaker Biography:

Amelia Marpman

Amy Marpman is the Director of Recycling and Maintenance Services at Great Forest. Great Forest provides sustainability consulting and project management expertise and has been a leader in providing sustainability services to clients in the property management, finance, retail, restaurant and hotel sectors for 20 years.

Amy handles a variety of projects at Great Forest including the implementation of LEED-EB for commercial buildings, recycling and waste assessments, and sustainability management systems. Prior to joining Great Forest, Amy worked as a journalist and filmmaker. She is from Seattle and holds a BA in Communications from Western Washington University, and a MA in International Affairs from The New School. She is LEED accredited through the U.S. Green Building Council (USGBC).
