Computer Engineering Technology

1st Year
- **FALL**: Math 1 1016-
- **WINTER**: Math 2 1016-
- **SPRING**: EE 0618-213

2nd Year
- **FALL**: Circuit Theory I 0609-214
- **WINTER**: Data Analysis 1016-319
- **SPRING**: Digital Systems Design 0618-438

3rd Year
- **FALL**: Electronics I 0609-360
- **WINTER**: Electronics II 0609-361
- **SPRING**: Principles of Optics 1017-320

4th Year
- **FALL**: Tech Prog. 0618-232
- **WINTER**: Writing 0618-233
- **SPRING**: Elective

5th Year
- **FALL**: Embedded Systems Design I 0618-561
- **WINTER**: Embedded Systems Design II 0618-562
- **SPRING**: Embedded Systems Design III 0618-563

* Co-Op Blocks #2 & #4 are taken during the summer after the 3rd and 4th year respectively.

♦ Three electives are free electives and three are professional electives. In each case, the pre/co-requisites must be satisfied.

♣ All students must complete two(2) physical education activities/wellness prior to graduation.
