Public Invitation to Senior Thesis Presentations

The Department of Communication invites you to attend Senior Thesis in Communication presentations. On Friday, 11 February, beginning at 8 a.m., seven undergraduates will offer the results of their research. You will learn the results of two research studies that were experiments, two studies that employed surveys, two involving personal interviews and an online focus group, and one rhetorical criticism. The presentations take place in 01-3338.

In addition, three more theses (survey, personal interviews, content analysis) will be presented on Friday, 25 February, 8-10 a.m. in 01-3338.

And, if you're unable to attend the presentations, or wish to revisit selected theses, you are invited to attend the students' Poster presentations: Wednesday, 23 February, 11 a.m. to 1 p.m., in Eastman, second floor "Psychology" hallway (north end of the building).

An e-newsletter published weekly by the Department of Communication and distributed to students and their family, alumni, faculty and others who have expressed an interest in communication.
