The new (November) issue of Scholarship @ RIT features no fewer than three Department of Communication members.

Dr. Tracy Worrell's article is entitled "Unrequited Love Portrayed in the Media" and discusses the research project on which she collaborated with first-year RIT honors student Danielle Grabowski.

Luke Auburn (PTC '09 and current Communication & Media Technologies grad student) wrote about "Climate Awareness 'Week of Action.'" And Joel Skelton (a current PTC major) discusses his Lulu book, [Cry'Ran](#).
