After Newtown:  
The Gun Debate Redux  
12/12 –11/14

At CPSI we have been following the national conversation about guns. This is a collection of what we think are interesting articles and other information from selected newspapers and organizations on that topic. We thought it might be useful for those interested in the discussion. We also welcome links to material you may have found that might add to these resources.

Working Paper # 2014-16

November 2014
