Public Policy Program**

Colloquia Substitution Form

Name of Student: _____

Quarter: _____ **Degree Program (BS or MS):** _____

Students are required to attend two policy colloquia per quarter. In some cases, students cannot attend scheduled colloquia. In these cases, students may engage in some other activity for colloquia credit. Typically this involves attending an event on- or off-campus related to public policy (e.g., an on-campus speaker, an off-campus political debate, etc.). If a student chooses to attend an alternative event in lieu of a policy colloquium, they must fill out this form and attach a one-page description of the alternative event.
