Public Policy Program**

**Colloquia Waiver Request Form**  
REVISED: August 7, 2007

---

This form is used to request a waiver for public policy colloquia requirements. These waivers are granted for students who have been in the program during a period where no colloquia were offered, or for students who transfer into the program with 2<sup>nd</sup> year status or higher. Note that typically we expect 2 policy colloquia a semester; so, for example, you transferred in as a 2<sup>nd</sup> year Public Policy Student, you would request a waiver of 6 policy colloquia (2/quarter for 3 quarters). This waiver will be sent to the Office of Student Services, which will then make the appropriate adjustments on your academic "checklist."
