Public Policy Program**

TRACK DECLARATION FORM

(To be completed by the end of Spring Quarter, Second Year)

As a Public Policy major, you must declare an intended "track" during the spring quarter of your sophomore year and identify the courses you will take during your junior and senior years to complete program requirements. Students must complete all courses identified on this *Track Declaration Form* and a senior project to be eligible for graduation.

Complete the following information and submit to the Department Office (Building 1, Room 1358).

Student Name (Please print): _____

Academic Advisor: _____

Expected Graduation Date: _____

Please specify the name of the track that you plan to pursue and mark the appropriate courses on the back of this page that you plan to take to complete your track requirements. Six courses (24 quarter hours) are required in addition to your Senior Project (4 quarter hours).

Examples include: Energy Policy, Biotechnology Policy, Health Policy, Environmental Policy, Information and Communications Policy

Track Concentration: Specify Name: _____

Signature Academic Advisor: _____

Signature PP Program Chair: _____

If you plan to take a minor from another discipline in addition to your Public Policy major, please complete the following:

Minor: Specify: _____

TRACK COURSES

Please identify course by number, name, and quarter hours.

Course #	Title	Qtr Planned	# Credit Hours

Student Signature: _____

Date: _____
