

Engineering Policy

Course Number	Course Name	Department Offering Course	College
0301-240	Intro. To Digital Systems	Electrical Engineering	Engineering
0301-345	Intro. To C Program Engineering	Electrical Engineering	Engineering
0301-347	Computer Architecture	Electrical Engineering	Engineering
0301-381	Circuits I with Lab	Electrical Engineering	Engineering
0301-382	Circuits II	Electrical Engineering	Engineering
0301-481	Electronics I with Lab	Electrical Engineering	Engineering
0302-210	Intro. To Engineering	General Engineering	Engineering
0303-520	Engineering Economy		
0304-214	Eng. Design Graphics	Mechanical Engineering	Engineering
0304-312	Geometric DIM and Tolerance	Mechanical Engineering	Engineering
0304-331	Mechanics I	Mechanical Engineering	Engineering
0304-336	Statics	Mechanical Engineering	Engineering
0304-342	Problem Solving with Computers	Mechanical Engineering	Engineering
0304-344	Materials Science	Mechanical Engineering	Engineering
0304-348	Mechanics of Materials Lab	Mechanical Engineering	Engineering
0304-413	Thermodynamics	Mechanical Engineering	Engineering
0304-415	Fluid Mechanics	Mechanical Engineering	Engineering
0304-416	Thermal Fluids Lab I	Mechanical Engineering	Engineering
1017-311	University Physics I	Physics	Science
1017-312	University Physics II	Physics	Science
4001-211	Introduction to Programming Using C	Computer Science	Computing and Information Science
