

**Department of STS/Public Policy
Public Policy Program**

**Continuation of Thesis
DRAFT 08/21/06**

If a student needs additional quarter(s) to complete their thesis research and thesis document, they should seek approval from their academic advisor. The advisor will request through the Graduate Coordinator that the student be registered for 0521-899-99 Continuation of Thesis for 0 credits.

The first quarter that the student is registered for Continuation of Thesis they can request that the Program provide a letter to Student Financial Services to waive the fee. For any quarter following, the fee would be assessed by Student Financial Services office. There is no charge for Continuation of Thesis when registered over the summer quarter.

The student may find it necessary to complete a Full Time Equivalency form so that they will not be obligated to start paying off student loans or if they wish to be employed on campus.

The Continuation of Thesis allows the student to still have access to services on the RIT campus.
