

Learning outcomes should be assessable. When writing them (Section 7.0 of the standard RIT course outline), the phrase used should be written as if completing the sentence:

Upon completion of this course, students will be able to...

Words to use that communicate knowledge in different areas are given below.

Information

count
define
identify
list
recognize
relate
select
tabulate
treat

Application

apply
complete
develop
examine
interpret
order
predict
restate

Synthesis

arrange
