

*SEAWAY Section
Mathematical Association of America
Spring 2009 Meeting
R.I.T, Rochester, NY April 3-4, 2009*

Invited Speakers:

Evening Banquet Speaker:

Ian Gatley, Dean of College of Science, R.I.T

Saturday Morning Speakers:

David Brown, Associate professor of Mathematics, Ithaca College

Thomas Zaslavsky, Professor of Mathematics, SUNY Binghamton

Gehman Lecture Series:

Steve Strogatz, Professor of Theoretical and Applied Mechanics, Cornell University

Contributed Paper Sessions:

Titles and abstracts for contributed papers should be sent by e-mail to **Raluca Felea** rxfmsa@rit.edu. Please use plain text, not Tex. In addition to title and abstract include any special equipment requests. **Deadline for submissions: March 6th, 2009.**

Please send general suggestions for the program (such as suggestions for panel or round table discussions) as well as other comments and questions about the program to **Hossein Shahmohamad**, Program Chair, hxssma@rit.edu

Student talks:

Titles and abstracts should be sent to *Derek Habermas*, SUNY Potsdam
habermds@potsdam.edu

Seaway NExT workshop:

There will be a Seaway section NExT workshop on Friday afternoon before the section meeting. For further information, contact *Jeff Johannes*, Chair of Seaway NExT,
johannes@geneseo.edu

AMTNYS Panel discussion:

A panel discussion on what Colleges are expecting from incoming students. This panel will inform college level teachers about issues that K-12 mathematics teachers deal with. For further information, contact *Mickey Jo Sobierajski*, President of the Association of Mathematics Teachers of NYS at mjsobiera@hotmail.com

Meeting web site:

For information about local accommodations, as well as updated program information (as it becomes available) follow the links from the seaway section web-page,
