

Colloquium
Wednesday April 11, 2007
12pm Room 08-2130

**“PIONEER WOMEN IN MATHEMATICS:
THEIR LIVES AND CONTRIBUTIONS ”**

**Carol Bell
SUNY Cortland**

Come hear about the lives of some of the pioneer women in mathematics and learn about the obstacles they had to overcome in order to study the subject they loved. You will also learn about the contributions that these women made to mathematics.
