

Advising services:

Upon entering the College of Science each student is assigned a faculty adviser appointed by their academic unit. The adviser is primarily responsible for working with the advisees in the development of their academic programs. A student can request a change of their adviser. Every effort will be made to match up advisees with compatible advisers.

First Year and New Transfer Advising Holds

All students new to RIT for the past two quarters will be required to meet with their adviser to discuss academic progress and planning before the next quarter's registration period. Students will not be able to register for classes until meeting with their adviser.

Faculty advising contacts:

**** Students can find their faculty academic advisor by logging into the Student Info System (SIS): <https://sis.rit.edu/info/welcome.do> and clicking the Profile tab. ****

The screenshot shows the RIT Student Info System (SIS) interface. At the top, the RIT logo and name "Rochester Institute of Technology" are displayed on the left, and navigation links "Index Directories Search Info Center" are on the right. Below the header, the word "Profile" is written in orange. A horizontal menu contains buttons for "Announcements", "Register", "Withdraw", "Academics", "Address", "Courses", "Profile", "Holds", and "Logout". The "Profile" button is highlighted. Below the menu, a list of fields is shown, organized into two columns. The left column includes: Name, College 1, Program 1, Year Level, College 2, Program 2, Program Concentration 1, Program Concentration 2, Liberal Arts Concentration, Minor 1, and Minor 2. The right column includes: University ID, Email Address, First Advisor, Second Advisor, and Third Advisor.

Department advising contacts:

School of Life Sciences:

Rosanne Klingler, Academic Support Coordinator

Biology and Biotechnology

585- 475-4765

Gosnell Building 08-2106
