**Full-Time Faculty Position in Computing Security**

**RIT Dubai**

**POSITION DESCRIPTION**

**THE POSITION**

RIT Dubai is currently seeking applications from exceptional candidates with a strong commitment to education for the computing faculty position in the area of computing security and networking. Responsibilities include teaching and education activities, development of courses and laboratories, advising students, and engaging in scholarship, research, and professional service activities. The selected faculty is expected to start on August 28, 2016 in Dubai.

**REQUIRED QUALIFICATIONS FOR THE POSITION**

- PhD in Computer Science, Information Technology, or a closely related field.
- Previous teaching experience with the ability to teach undergraduate and graduate courses in the broad area of computing security (e.g. cryptography, network security, penetration testing, cybersecurity policy and law, computer/network forensics) and networking (e.g. routing and switching, systems administration, network services)
- Demonstrated applied research and scholarship activities and successful collaboration with industry on research in information technologies and computing security.
- Excellent communication skills.

**APPLICATION AND NOMINATION**

Please email your application to careersdubai@rit.edu. Please submit the following items as part of your application:

- Subject line must include the source, your name and position you are applying for; e.g.: AcademicKeys – Dr. John Smith – Computing Security
- Resume or curriculum vitae
- Contact information
- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is found. Only shortlisted candidates will be contacted.
