Individuals who will be on sabbatical or interested in a visiting position are also welcome to apply. The selected faculty is expected to start on August 15, 2015 in Dubai.

REQUIRED QUALIFICATIONS:
• Ph.D. Degree in Industrial Engineering or Mechanical Engineering
• Ability to teach undergraduate courses including: core courses in industrial engineering, core courses in mechanical engineering / production.
• Ability to teach graduate level courses in Industrial Engineering and Sustainability as well as guide MSc student’s projects.
• Practical industrial experience in the broad field of Mechanical / Industrial Engineering.

PREFERRED QUALIFICATIONS:
• Previous teaching experience in an American or European institution
• Demonstrated industry experience in the field
• Excellent communications skills

Deadline: open till position is filled.

THE UNIVERSITY: RIT Dubai is an international campus of Rochester Institute of Technology, Rochester, New York. It was established in June 2008 to offer RIT degrees and curriculum in Dubai. Currently, it offers Bachelor’s and Master’s degree programs in engineering, business, networking and leadership.

RIT is a multifaceted university located in Rochester, New York. The university offers more than 200 options in its professional career programs and delivers courses on-campus, online and in numerous international locations. The university enrolls more than 18,000 students who come to RIT from all 50 states and more than 90 countries.

APPLICATION PROCESS:
Email your application to careersdubai@rit.edu. Submit the following items as part of your application:
• Subject line must include the source, your name and position you are applying for;
  e.g: RIT Dubai website - <Your Name> - Mechanical Engineering Faculty 2014
• Resume or curriculum vitae
• Contact information
• A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
• A teaching philosophy statement
- Samples of teaching evaluations
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is found. Only shortlisted candidates will be contacted.
