LIEN RELEASES

1.0 Philosophy
1.1 We need to protect RIT from contractor/supplier liens.
1.2 Articles 9.3.3 of the RIT General Conditions and Article 7.1.4 of the CM Agreement provide a method for this protection by requiring Prime Contractors, General Contractors, and Construction Managers to supply Lien Release documents.
1.3 FMS Staff must follow the below process.

2.0 Process
2.1 FMS Project Managers must obtain a list of all sub-contractors working on a project and notify Prime Contractors, GCs, or CMs that a Lien Release must be submitted by them and each sub-contractor with each invoice or application for payment.
2.2 Exhibit A shows the letter RIT Purchasing sends each Contractor to whom a PO is issued and explains which form is to be completed by Prime Contractors, GCs, or CMs and which by Subcontractors or suppliers of material or equipment.
2.3 Upon receipt of an Application for Payment or invoice, in addition to reviewing it for validity, FMS Project Managers must verify that Lien Releases have been submitted by all required parties. If a Lien Release is missing for the Prime Contractor, GC, or CM, or any of their sub-contractors, e-mail or fax a “Notice of Non-Payment” to the Prime Contractor, GC, or CM. Attach a copy of this “Non-Payment” form to the invoice or payment application and if the invoice is otherwise valid, approve it, but make a notation on the invoice or payment application to hold payment until Lien Release is received by Accounts Payable.
2.4 An e-mail “Notice of Non-Payment” should follow this format:

To: (Name of Prime Contractor, GC, or CM)
Subject: Notice of Non-Payment

We cannot process your Invoice # __________ , dated __________, in the amount of $__________ because it lacked a Lien Release from ______________.
Please mail this notice and the missing release to the following address so we can process your payment:

RIT Accounts Payable
7 Lomb Memorial Drive
Rochester, NY 14623-5608

2.5 A fill in the blanks “fax” is available at:
F:\Design and Construction\Forms\Lien Fax for this purpose.
IMPORTANT PAYMENT REQUIREMENTS

1. Each invoice or Application for Payment must be mailed to:
   
   Rochester Institute of Technology
   Accounts Payable
   7 Lomb Memorial Drive
   Rochester, NY 14623-5608

2. Contractor invoices must be either submitted on AIA Application for Payment Forms or the attached RIT Invoice Form (Exhibit A-1). Consultant invoices must be submitted on the attached RIT Invoice Form (Exhibit A-2).

3. Each invoice or Application for Payment must indicate the RIT Project Number and the RIT PO Number (both of which appear on the attached Purchase Order).

4. The following apply only to Contractor invoices:
   
   a. AIA Applications for Payment must be certified by the Project Architect or Engineer prior to submission.
   
   b. Prior to submitting your first invoice or Application for Payment you must provide a list of all subcontractors and major vendors and suppliers of material or equipment to your RIT Project Manager. This list must contain the name, address, and phone number of the subcontractor, plus the contact person (and his/her phone number(s) and e-mail address) within that company. This list must be updated throughout the course of your work as necessary.
   
   c. Each invoice or Application for Payment must be accompanied by an Affidavit of Payment of Debts and Claims and Affidavit of Waiver/Release of Liens (Exhibit A-3) signed by an officer of your company, and an Acknowledgement of Payment and Waiver of Lien (Exhibit A-4) signed by an officer of each company to which you subcontract any portion of this project’s work.
   
   d. If requested by RIT, an Acknowledgement of Payment and Waiver of Lien (Exhibit A-4) may also be required from your vendors, suppliers of material or equipment, etc.
   
   e. In the event that a lien is filed by your employees, subcontractors or suppliers of material or equipment used in the work covered by this purchase order, you must obtain a release of lien or satisfaction of claim within ten days of its filing, either by agreement or by furnishing a bond satisfactory to Rochester Institute of Technology to indemnify it against such lien or claim.
