Q. If I have a Homeowner’s Policy, why do I need to purchase this special coverage?
A. Recoveries under this policy are usually between 25% and 250% higher than under a Homeowner’s policy because of the low deductibles and broader coverage. It also keeps student claims away from your HO policy.

Q. What is the broader coverage under this policy compared to a Homeowner’s policy?
A. The HO policy only covers against named perils or specified causes of loss. CSI’s coverage is for all causes of loss not specifically excluded. CSI covers Accidental Damage, Flood, Earthquake and other causes not covered by an HO policy.

Q. If I study abroad will my property still be covered?
A. Yes. Your policy covers worldwide.

Q. Do I have to live On Campus or can I live Off Campus and still get this insurance?
A. You can live On or Off Campus and you are still eligible for this coverage.

Q. If I’m not a full-time student does coverage still apply?
A. Yes. All student, faculty or staff are eligible.

Q. What type of property is covered?
A. Just about everything a student would take to or use at school … Bikes, books, cameras, cell phones, computers, clothes, jewelry, musical instruments, sporting equipment and more.

Q. What property is not covered?
A. Illegal property are examples of property not covered.

Q. What is the average limit of coverage selected by students?
A. The average limit selected is just under $6,000. But you can select the limit that best fits the value of your property.

Q. Is theft the biggest concern when it comes to student property losses?
A. Our experience shows that theft is the most frequent cause of loss followed by accidental damage. The more serious property losses involve fire or water damage. The National Fire Protection Association reports 2,240 dormitory fires on average per year across the country.

Q. If I have other questions how do I get an answer?
A. Email your question to info@CSIprotection.com or call CSI toll free (888) 411-4911.
