I Can’t Take the Credit!

This Fall’s schedule includes 61 courses in a wide variety of subjects led by 58 members—several of whom are new leaders, six one-session classes, and 10 talks in our Pfaudler Lecture Series. Our program wouldn’t be possible without a lot of effort and hard work by the Course Offerings Committee, the course leaders who stepped up to volunteer their time and share their knowledge, many volunteer coordinators, our staff members Mary, Sara, and Julie, and last (but not least) former Council Chair Mary Barrett who had the wheels turning before I even started on the job. Every one of them has my thanks.

The Future of Osher Depends on You!

This does give me an opportunity to mention a pet cause of mine: finding new course leaders. As our membership continues to grow, Osher at RIT needs your help to achieve our ongoing goal of offering a broad and rich range of courses. You do not have to have been a teacher of any kind to lead an Osher course. All you need is a passion for your subject matter and a willingness to share your knowledge and expertise with the Osher membership. An important and real fringe benefit of leading an Osher course is that you will learn so much more about your subject.

The Course Offerings Committee can help you prepare for leading a course in many ways. Its members can:

- Brainstorm potential courses for you to lead;
- Help you prepare a syllabus and arrange for technical assistance in areas like PowerPoint or course website creation;
- Assist in locating reference and other materials you might need; and,
- Help you find a co-leader.

Osher has always been a volunteer organization and its future success depends on you, its members.

Directions for Online Course Registration

The directions on this page will help you to register successfully.

Online registration is your best bet for getting into the courses you want.

Handing in a paper registration form early does not get you registered any earlier.

All paper registrations are processed, in random order, by staff beginning at 10 am on registration day.

Begin by visiting our website at osher.rit.edu and click on REGISTER in the top right of the page.

On this page, click on the left-most box:

On this page, locate the box titled “LOGIN”. In that box, enter your username and password and click the orange Login button. If you don’t know your username and password, click on the Forgot your password? link under the orange Login button. Follow the instructions on the screen and return to the Login page where you will enter your username and password, and then click the orange Login button only once.

Wait for the system to log you in. Once you’re logged in, you will see a “WELCOME” box in the top right containing “Hello, <your name>”.

At the bottom of this page, click the Term drop-down menu and select Fall. Click the Day drop-down menu and select the day you’re interested in, then click the orange Search button.

Scroll down so that the list of classes is showing. Click Register below the class you want to take.

On the next page that appears, tick the box next to your name, then click the orange Register button. If you want to select more courses, click “Search for more courses.” Then repeat steps 5-7. (Note: repeat these three steps for each course you want.)

When you are done registering for all the courses you want, in the “SCHEDULE” box, click the orange Checkout button.

At the bottom of the next page that appears, tick the “I have read and agree...” box if it is present. Click the orange Continue button.

The top of the next page that appears should say, “Your registration/purchase is complete” and show the list of “Successful Items” (your courses). The “SCHEDULE” box on the right should say “0” because you have successfully ‘purchased’ the items (courses) and nothing is left in your ‘cart.’ The list of courses on the left shows that you have successfully registered and you can now click Logout in the top blue bar.

You will get an email confirming your schedule (including waitlisted courses if applicable).

You can log in to your account and see a list of your courses at any time by clicking the My Account link in the top blue bar, then scrolling to the bottom of the next page, and clicking on the black My Courses tab (next to the Emergency Info tab).

IMPORTANT: You must be current with your payment in order to register for courses. If your membership expires before the Fall 2017 Term begins, and you are not paying online, make sure to get your payment to the office before TUESDAY, AUGUST 15 to ensure that you will be able to register.

If you have any questions, please call (585-292-8989) or email osher.info@rit.edu
