
R·I·T
Rochester Institute of Technology
Industrial and Systems Engineering Department (ISE)

Applications are being invited for one tenure-track opening at the Assistant/Associate Professor level in the area of Operations Research. The ISE department is seeking candidates who have special interest in supply chain management or information systems. The expected start date is Fall 2009. A doctorate in Operations Research, Industrial Engineering, or a related field is required. The preferred qualifications include expertise in OR with emphasis on supply chain management or information systems, commitment to undergraduate/graduate teaching and advising, strong research plan, ability for scholarly accomplishment, ability to secure funding, and the ability to engage in industry outreach activities. Strong communication skills are highly desirable.

The Kate Gleason College of Engineering (KGC OE) at RIT is the nation's premier career-oriented college of engineering. The ISE department is one of six departments in the KGC OE; the others being Computer, Electrical, Mechanical, Microelectronic, and Quality & Applied Statistics. All BS programs within the College have a mandatory one-year co-op experience and are ABET accredited. The ISE department offers BS, MS, and MEng. degrees in Industrial Engineering, MEng degrees in Systems Engineering and Engineering Management, and also supports executive MS programs in Product Development and Manufacturing Leadership. In conjunction with the Mechanical Engineering Department, the ISE department also offers MS and MEng degrees in Sustainable Engineering. In addition, there are opportunities for participation in the Ph.D. programs in Sustainability, Microsystems Engineering, Computing and Information Sciences, and Imaging Science. The ISE Department has nine faculty members, approximately 200 undergraduate students, 35 graduate students and features outstanding facilities, including the Brinkman Machine Tools Lab and the Toyota Production Systems Lab. Additional information can be found at www.rit.edu/ise.

RIT is located in Rochester, NY, home of large (Bausch & Lomb, Corning, Eastman Kodak, Xerox) and small corporations devoted to manufacturing, imaging and telecommunications. Rochester is located in gorgeous upstate NY, nestled between Lake Ontario and the Finger Lakes, and offers a range of cultural/recreational activities. The Rochester area is rich in cultural and ethnic diversity and consistently ranks as one of the "Best Cities to Raise a Family (7th)" by *Child Magazine* and "best cities for women (8th)" by *Ladies Home Journal*.

Apply online at <https://mycareer.rit.edu>. Search for IRC# 25879. Please submit your letter of application, curriculum vitae, one-page statements of research plan and teaching philosophy, and contact information of three professional references. Specific inquiries on the position can be directed to: IEsearch@rit.edu. Review of applications will begin immediately and applications will be accepted until January 15, 2009 or until position is filled.

The Rochester Institute of Technology is an equal opportunity/affirmative action employer. Members of protected classes and individuals with the ability to contribute in meaningful ways to the university's continuing commitment to cultural diversity, pluralism, and individual differences are encouraged to apply. We are seeking individuals who are committed to contributing to RIT's [core values](#), [honor code](#), and [statement of diversity](#).
