Creating a Khan Academy Account

Already have an account?

Start with the Khan Academy website:

https://sgn-us.khanacademy.org/

Scroll all the way to the bottom of the website and change the Language to American Sign Language

You should now see Algebra Basics (ASL) as a course

Why Khan Academy works

Creating a Khan Academy Account

Create a teacher account

You can use a google account and connect with Google Classroom if you use that platform with your school.

Search Q	😵 Khan Academy	Get Al Guide	Donate ⊡ੈ	Log in	Sign up

If you do not see this course, go to settings and change the Language to American Sign Language.

Dashboard

Once you have created a class, you will see the class dashboard. On the left is the assignments and mastery goals (skill checks). You can view your students in the Admin section. This is where you will find your Class Code.

You can assign specific videos, quizzes, or questions to students with specific due dates. As a teacher you can view student progress using the Scores tab on the left under assignments.

Students have access to the entire course even if topics have not been assigned.
