**Product Description:**

The National Technical Institute for the Deaf (NTID) is the world's first and largest technological college for students who are deaf or hard of hearing. It is one of eight colleges of Rochester Institute of Technology (RIT), a privately endowed, coeducational university that is student centered and career focused. Its goal is to provide deaf and hard-of-hearing students with outstanding state-of-the-art technical and professional programs, complemented by a strong liberal arts and sciences curriculum that prepares them to live and work in the mainstream of a rapidly changing global community and enhances their lifelong learning.

**PEN-International** (Booth #3 & 4)

Address: NTID/RIT

52 Lomb Memorial Drive

Rochester, NY 14623

Phone: (585)475-2939

Fax: (585)475-2790

Website: <http://www.pen.rit.edu>

**Product Description:**

The Postsecondary Education Network International (PEN-International) is the first-of-a-kind international partnership of colleges and universities serving the postsecondary education needs of deaf and hard-of-hearing students. Web technology, faculty training, telecommunications technology, information technology and instructional technology are being used to:

- o Improve teaching and learning for students
- o Increase the application of innovative technology to teaching students
- o Expand career opportunities for deaf and hard-of-hearing people.
