As part of the ongoing review and updating of university-level policies in the Governance Policy Library (www.rit.edu/policies), below is a list of policies that have been edited or revised since last spring. The name of the policy and a brief description of the action taken by the applicable governance group is noted and these policies have been reviewed and approved by Dr. Destler. Please click on the name of the policy to see the updated policy in its entirety.

- **C19.0 – University Closings** – Edits approved by Institute Council September 2012 (calendar conversion; department name)
