Permanent Address
2002 97th Street Court Northwest
Gig Harbor, Washington 98332

School Address
111 Kimball Drive
Rochester, New York 14623

Objective: To obtain co-op employment in the field of Computer Engineering.

Education: **Rochester Institute of Technology**, Rochester NY
Masters of Science in Computer Engineering expected June 2009
Bachelors of Science in Computer Engineering expected June 2009
GPA: 3.470, PFOS GPA: 3.647
Dean's List Spring 2005, Winter 2005-2006, Spring 2006

Proficient Skills and Programming Languages

- Java
- C/C++
- UML 2.0
- Assembly Language (Motorola)
- VHDL
- DC Circuit Analysis

Current Coursework

- AC Circuit Analysis
- Applied Programming
- Probability and Statistics
- Electronics for Computer Engineers

Communication

- Conducted weekly meetings for 30-40 student members to discuss floor issues and plan upcoming events as House of General Science Floor President.
- Represent the College of Engineering to the Student Government Senate and communicates with constituency.
- Collaborate with College of Engineering Faculty, Staff and Club Executives to organize and program events.

Projects

Number Launchers – a game made in a group environment to teach first and second graders simple addition, subtraction, and digits recognition. Served as quality control and design and development manager. A heavily documented project with weekly progress reports and additional diagrams and schematics required. Served as the informal UML expert.

Generic Puzzle Solver – a C++ application that would solve a series of four puzzles given a puzzle-solving algorithm. Worked individually on two parts of the project and with another student on two parts of the project.

Memberships/Activities:

Student Government Senator for the Kate Gleason College of Engineering, House of General Science (President 2005-2006), IEEE, IEEE Computer Society, Biking (Road and Mountain), Ultimate Frisbee, Reading, Rock Climbing and Soccer

Work Experience: Available upon request

Work Experience:

Dieter Laskowski

Rochester Institute of Technology Student Government

5 September 2006 – Present

Kate Gleason College of Engineering Senator

Employer: Lizzie Sorkin – President sgpres@rit.edu

Represents constituents at Senate meetings and program events to unify the College by working with other Senators and RIT personnel.

Rochester Institute of Technology Computer Engineering Department

5 September 2006 – Present

Mentor & Lab Technician

Employer: Rick Tolleson – Lab Manager rateec@rit.edu

Responsible for assisting students who seek assistance with their course work. Open and close the Computer Engineering facilities.

Roadway Express

10 July 2006 – 18 August 2006

Casual Clerk

Employer: John Mooney – Manager john.mooney@roadway.com

Data Entry. Responsible for scanning pick-up bills and submitting them to Roadway's billing center. Closed trailers, organized delivery receipts and printed waybills. Reconciled billing anomalies.

Rochester Institute of Technology Orientation Program

22 August 2005 – 5 September 2005, 21 August 2005 – 4 September 9, 2006

Orientation Assistant

Employer: Kerry Hughes – Interim Director orientation@rit.edu

Assisted RIT faculty and staff in familiarizing new students with RIT's facilities and surroundings.
