The TIGER TRACKS TRAIN SHOW is the annual fundraiser for the RIT MODEL RAILROAD CLUB, a student organization at the Rochester Institute of Technology in Rochester, New York. Your support makes our activities possible, from construction of our new model railroad to volunteering with the Rochester & Genesee Valley Railroad Museum. Now hosted in one of the largest venues in Rochester, we're able to grow while we continue to provide the friendly service we have become known for. Please take a moment to review the details of our show.
