Week 3 Meeting
September 21

-Dues this quarter are $40. You can either pay $40 to the club at the end of the quarter or raise $40 in fundraising.

-IHSA. If you still haven’t signed up and want to show:
  -http://www.ihsainc.com/ has all the details.
  -For those who are new, go to the site, create an account and sign up as a new member. You need to fill out the placement form and bring it with you to your first lesson.
  -For returning members, login and print out the form saying you want to show again this year.
  -Bring in the membership form and money ($30 or $40 depending on what you want to show) to the meeting next week. This is the deadline.
  -IMPORTANT! If you are handing in a check, make it out to RIT Equestrian Team. DO NOT WRITE ANYTHING ON THE MEMO LINE. At the next meeting, you can fill out a form saying this money is a gift to the club so that the school will match what you donate. So you pay $30 for showing and then the school gives the club $30. The money matched by the school can go towards fundraising, so that you will only have $10 left for dues.

-New social chairs: Liz Kiewiet and Lili Plotkina

-If anyone still needs to sign club waiver forms or the constitution, please do so asap.

-We are thinking about volunteering at a special olympics horse show Oct. 3.

-Also thinking about getting t-shirts before the show so that we can wear them while helping out. More info on both these events next meeting.
