Congratulations to our new CHST senator, Jamar Frater, and our new freshmen senator, Paul Darragh!

Learn more about your senator and everyone else on the SG team by visiting the About Us section of the Student Government website, www.sg.rit.edu.

Henrietta Town Law Decision

The town of Henrietta has voted to enforce the law that no more than three unrelated people may be living in the same house at one time.

Although this is not what students wanted, it is important to keep in mind that no one with a current lease will be evicted from his or her place of residence.

If any students are concerned with their rights, the SG lawyer Paul Vick is available to all students free of charge. Come to the SG office to schedule an appointment.

Tiger East End Express

Recently, SG voted to support the creation of an additional off-campus bus service to the East End of Rochester. The bus will run from 9:00pm to 2:30am on Saturday evenings from January to May. This is just a trial period and whether or not it continues will depend on the popularity of the service.

The bus service begins on Saturday, January 14th!

Paper copies of the schedule are available at the info desk in the Campus Center or electronically at: <http://facilities.rit.edu/pats/transportation/bus.html>
