Impact on Students Who Have Already Applied For STEM Extension

**Today**

**May 10, 2016 New STEM Policy Begins**

**August 8, 2016**

**STEM APPLICATION APPROVED BEFORE MAY 10, 2016**

Student will receive **17-month STEM Extension**

**STEM APPLICATION STILL PENDING ON MAY 10, 2016**

Student will receive “Request for Evidence.” This will include updated I-20 endorsed on or after May 10th, and completed Training Plan (Form I-983)

If response to Request for Evidence is approved, student will be granted **24 month STEM Extension**

After May 10th student will have 90 day window to submit another application for additional 7-months of STEM Employment.

Student must have at least 150 calendar days remaining before end of 17 month STEM extension at the time the I-765 is filed.
