# Sensational Summer

## Computers! Swimming! Fun!

One week sessions Monday-Friday.

Enroll for the whole summer or week-by-week.

### 1. Paper-Palooza July 2-6

How is paper made and what can you do with it? Experiment with different types of printing, work on a paper collage...and don't forget about making digital designs! Find out how to make games and toys from paper and cardboard. Learn about quilling and origami too!

### 2. Calling all Travelers! July 9-13

Set sail on an adventure to see the world-you'll get to visit some of the most exciting ports of call around the globe! Your daily itinerary will include 'sightseeing' in famous cities to learn about the culture, language, and sample the local foods. There'll be time to make some souvenirs too. Book now so you don't miss the boat!

### 3. Go Green July 16-20

Ever thought about how what you do impacts the environment? Explore ways we can all help save the planet and live a low-impact lifestyle. Learn about composting. Create great crafts from recycled materials and natural elements. Take part in the 'Great Recycle Games'. Learn how you can reduce, re-use and recycle every day!

### 4. The Sky and Beyond! July 23-27

Strap yourself in for a chance to reach out and touch the universe. Explore the Milky Way and discover the wonders of the solar system -moons, planets, stars, comets - and the night sky! Your week as an astronaut will include sampling space food, designing your own rocket and a mobile. Are you ready to lift off for fun?

### 5. Awesome Artists July 30-August 3

Find the budding artist in you! Learn how famous artists created their masterpieces and be inspired to create your own from a variety of media -try painting, sculpture and more. Get your artist's palette ready so you can create a colorful collection of pieces to show your family and friends.

### 6. Once Upon a Time... August 6-10

Mirror, mirror on the wall, what's the best fairy tale of all? It may be yours! Enjoy some of the magical stories of classic fairy tales and then become the author of your very own modern tale. Bring along your imagination and sense of adventure as we enter the wonderful of storytelling.

## Exciting, Creative Activities!
