

May 2009

Dear Student,

On behalf of the faculty and staff of the School of Design and the 3D Digital Graphics Program, we would like to congratulate you on your acceptance and welcome you to RIT. You are joining an exciting and creative environment that will provide an education designed to help you meet your artistic, educational, and career goals. It is our hope that your academic career at RIT will prove to be challenging and rewarding.

Your academic advisor, Janice Heard, will pre-register you for fall quarter classes based on your specific degree requirements. You will receive a copy of your tentative schedule in the mail in early August. Please do not adjust your schedule yourself. Many of your courses are required to be taken in sequence and at certain times. We are happy to guide you in this process to make sure you get started on the right track. If you plan to participate on an RIT athletic team during the fall quarter, or if you anticipate AP or transfer credits, please let us know by completing the enclosed Course Scheduling Form. If you have any questions about your schedule, contact Janice at (585) 475-5950 or by e-mail at Janice.Heard@rit.edu.

Additionally, some design students ask about purchasing a computer to bring with them. This is not a requirement, but if you choose to do this, a 15-inch MacBook Pro with as much memory and processor speed as affordable is the preferred laptop. Please be sure to check the pricing at the Digital Den in the Student Alumni Union at RIT as they offer excellent educational pricing. Again, this is strictly a recommendation and not a requirement.

To start your career at RIT off on the right foot we encourage you to read the *New Student Survival Guide* that will be mailed to you in June. It contains a checklist of to-do items and information about the many services and resources that will help you make the most of your experience at RIT. You will also find details about New Student Orientation, which you are required to attend on August 30 through September 6.

We look forward to meeting you at Orientation and anticipate an exciting and productive year together! If you have any questions, or we can be of further assistance, you may contact Prof. Marla Schweppe at (585) 475-2754 or the School of Design at (585) 475-2668.

Sincerely,

Patti Lachance
Administrative Chair, School of Design
