

# Roommate Agreement

This is an agreement between roommates to ensure that basic needs have been discussed. Roommates should discuss each topic and come up with guidelines everyone living in the apartment/room can live with. This agreement should be revised as schedules/lifestyles change.

**Study time:** *When? Noise tolerance? Visitors?*

**Cleaning:** *Which areas? How frequently?*

**Personal property:** *What can be shared? Which items are not for common use? Computers?*

**Shared expenses:** *Groceries? Cleaning supplies? Cable bill? Internet?*
