**Carl and Dorothy Bennett Scholarship  
for Students with Disabilities**

**Reference Form**

Dear Reference,

RIT students who have a disability have an opportunity to apply for *The Carl and Dorothy Bennett Scholarship*. This is a scholarship donated by the Bennett family to help meet the demands of a college education. It is to recognize and support individual potential and ability.

All student applicants must submit 2 references as part of the scholarship application process. References from teachers, family, employers, counselors, coaches, or others should reflect their work ethic, motivation, interpersonal skills, academic potential, and any other qualities that reflect their personal character.

We appreciate your time and effort in sharing your experiences of this student.

If you have any questions, feel free to call Bernadette Lynch, 475-2833, Director of RIT TRiO Student Support Services.

Please return this form in a sealed envelope to the student by March 21, 2008.

*Thank You.*
