## **IMPORTANT NOTICE TO ALL STUDENTS**

### WELCOME TO RIT TRIO STUDENT SUPPORT SERVICES

**About the materials in your folder:** The materials in your Success Folder are meant to assist you in learning as much as possible about TRiO Student Support Services and about all that we have to offer. We ask that you take some time to review and to use the enclosed information. Please feel free to see any of our staff if you have any question.

**How to maintain an active membership:** Also, we encourage you to take advantage of as many of our services and programs as possible. In order for you to maintain an active membership in TRiO Student Support Services, you must take advantage of five (5) hours of support, and two (2) of them *must* be WISSL. Once our enrollment reaches 250 students, we have to start a waiting list.

If you have not taken advantage of five hours of service over the quarter, you will be notified and transferred to our waiting list in order to enable the students on the list to use the services.

You will be considered for active membership again once you come to the top of the waiting list and there is space available within the 250 membership roster.
