APPLICATION FOR TRANSFER ADMISSION

R·I·T
Please refer to the application timetable below to determine when you should file your application, based upon your desired entry term. If you have any questions about the application process, please call the Undergraduate Admissions Office at 585-475-6631 or the NTID Admissions Office at 585-475-6700, toll free in the U.S. and Canada at 866-644-6843, or by videophone at 585-743-1366. Please return your application form in the enclosed envelope, but keep the application timetable and instructions (pages 1 through 4) for future reference.

* All deaf and hard-of-hearing students must submit the RIT Audiological Form or an unaided audiogram completed within the last three years from a certified audiologist in order for their application to be considered for the federally supported tuition rate.

† Please see instructions on page 2 for submitting your portfolio digitally.

RIT does not discriminate. RIT promotes and values diversity within its workforce and provides equal opportunity to all qualified individuals regardless of race, color, creed, age, marital status, sex, gender, religion, sexual orientation, gender identity, gender expression, national origin, veteran status, or disability.

Transfer Applicant Status
You should apply to RIT as a transfer if you have attended any college after graduating from secondary school. Special information regarding admission as an international, NTID or HEOP candidate is provided below.

Application Timetable
All applications for transfer admission are reviewed on a “rolling” basis, with notification letters mailed four to six weeks after the application is complete. Note: For best consideration for admission and scholarships, and because many programs fill to capacity, we strongly recommend that applicants file the materials by March 1 for fall or summer admission and by November 1 for spring admission.

• Fall semester applicants to programs with limited spaces will receive notification in early to mid-March.
• Fall applicants to the physician assistant program must have all application materials in by December 1.

NTID and NTID-Supported Applicants
Deaf or hard-of-hearing students may apply for transfer admission to programs offered at the National Technical Institute for the Deaf (NTID) or to any other RIT college. Applicants should check the appropriate box in the Applicant Status section of the application in order to qualify for educational access and support services (such as sign-language interpreters, notetakers, tutors), as well as NTID’s federally supported tuition rate.

Higher Education Opportunity Program
The Higher Education Opportunity Program (HEOP) provides educationally and financially disadvantaged residents of New York State with access to independent colleges and universities throughout the state by providing special academic support services and financial assistance.

New York State residents who wish to be considered for admission through HEOP should check the box for HEOP admission in the Applicant Status section. HEOP candidates must also be prepared to submit financial documentation to determine HEOP eligibility. The Undergraduate Admissions Office will request this information once your application has been received. Please contact our HEOP Office at 585-475-2506 to discuss HEOP financial eligibility guidelines before applying.

HEOP admission is available only to transfer students who were part of their previous college’s EOP or HEOP program. Candidates are encouraged to request a waiver of the normally required $60 application fee if payment of this fee presents a hardship.

International Applicants
International students may use either this application form or RIT’s International Student Application. Students whose native language is not English or who have not completed the equivalent of 30 semester hours in English language-based instruction must submit results from the Test of English as a Foreign Language (TOEFL), PTE Academic, or International English Language Testing System (IELTS). International applications are reviewed on a rolling basis. However, because space is limited in some programs, it is best to apply well in advance of the semester in which you are interested in beginning your studies. Please refer to the priority dates in the chart on the previous page. International applicants who are deaf should apply for support services provided through the National Technical Institute for the Deaf (NTID).

Program Selection
When you apply for admission to RIT, you are asked to select a specific academic program as part of our admission process. This is important because we offer a variety of academic programs, and admission requirements differ from one program to another. In this section, you will select the academic program you want to study at RIT. The programs and their corresponding codes are listed on pages 3 and 4. Please refer to this list when indicating your program choice.

If you do not feel ready to select a specific academic program, and have completed less than one year of college course work, you may apply for admission to one of the “undeclared option” programs offered by several RIT colleges, or choose the University Studies option.

If you do not meet the requirements for admission to your first-choice program of study, or if that program has reached capacity, you will not be offered admission to that program. You may, however, be offered admission to a second- or third-choice alternate program if you have selected one.
**Academic Transcripts**

As a transfer applicant, you should request immediate forwarding of official college transcripts from all colleges previously attended. If you have completed fewer than 30 semester hours or 45 quarter hours, you must also submit official secondary school transcripts. If you are currently enrolled in college, please be sure to complete the Transfer Course List to indicate any courses you will complete before entering RIT. This information will assist us with course advisement, assignment of pending credit, and determining your year level upon enrollment. This form is included in our transfer application packets. You may also download or complete the form on the web at rit.edu/admissions.

**Portfolio Requirements**

All students applying for admission to the School of Art, School of Design, or School for American Crafts must submit an art portfolio for consideration. The portfolio should consist of 10 to 20 pieces of the student’s best work. Please review the portfolio instructions available at http://cias.rit.edu/prospective-students/portfolio-guide.

Students who wish to make special arrangements to show their art portfolio while visiting campus should contact the Undergraduate Admissions Office.

Transfer applicants to the School of Photographic Arts and Sciences seeking credit for previous photography courses must submit a photography portfolio for credit evaluation. Please contact the School or the Undergraduate Admissions Office for additional details.

**Required Admission Tests**

All transfer applicants who have completed fewer than 30 semester hours or 45 quarter hours at the time of RIT enrollment must submit results from the Scholastic Assessment Test (SAT-I) of the College Board or American College Testing (ACT) assessment scores from the ACT Testing Program. Applicants are encouraged to have the testing agency send SAT or ACT scores directly to RIT or to have test results included on their high school transcript.

Students whose native language is not English or who have not completed the equivalent of 30 semester hours in English language-based instruction must submit results from the Test of English as a Foreign Language (TOEFL), PTE Academic, or International English Language Testing System (IELTS). They also are encouraged to submit SAT or ACT results if available.

**Applying on the Web**

You may complete and submit our application on the web at rit.edu/admissions. You may also download and print the application.
