

Kids on Campus Summer Leadership Program Application

Have you completed 2 summers at Kids on Campus?

Are you entering 11th grade or higher?

If you answered "yes" to both these questions, you are eligible to apply for the Kids on Campus Summer Leadership Program. Kids on Campus leader/volunteers play an important role in our program. You will be asked to assist with both the workshops and recreation portion of the program. The opportunity to participate in this program is selective and the number of positions is limited. **You MUST be able to attend both sessions!**
