Careers Packaging vocational guidance vocations

Books:

General Career/ Employment Sources

REF HF5549.5.C67P582
**Corporate Jobs Outlook.** Corporate Jobs Outlook, Inc., Annual. This is a 2 volume set that provides valuable information on growing companies. You will find salary and benefits information on each of the companies included. There is also information on the company’s job stability, and it provides unique information to job seekers with special needs. For example, Corporate Jobs Outlook lists companies that promote women or minorities to top level posts.

REF HF5381.D86
**Dun’s Employment Opportunities Directory.** Dun and Bradstreet, Annual. This directory lists major companies, with a description of the company and the disciplines that they hire.

REF HF5382.75.U6j 62
**Job Bank Series.** Bob Adams, Inc., 1994. This series is a geographic breakdown of major metropolitan cities. Each book covers a particular city and the companies that are located there. There is background information on the city and its economy.

Titles Specifically Related to Packaging

REF HD9999.C743B4 2002

REF TS195.A1C3
**Canadian Packaging Buyer's Guide.** Maclean-Hunter, Annual. This guide gives an overview of the packaging industry in Canada. It also gives a list of companies that manufacture packaging goods and services.

REF NK1160.D42
**Design Firm Directory.** Weller Associates, Annual. This directory gives descriptive information on graphic and industrial design firms. These companies are located in the United States and in Canada.

REF TS195.A3D5
**Directory of Contract Packagers and Their Facilities.** Packaging Institute International, Annual. There are 303 contract packager service locations listed geographically. This information provides the type of products handled, physical properties of products accepted, type of packages and packaging operations performed.
Directory of Packaging Consultants. Packaging Consultants Council, Annual. This is an alphabetical listing of companies with descriptions, and the type of packaging they are involved with.

International Packaging Sourcebook. Leatherhead, Surrey: Pira International, 1999. This is an international directory for the packaging industry.

Paperboard Packaging Resource Directory. Advanstar Communications, Annual. This is a state by state listing of container industry companies. The descriptions are brief for each of the companies listed.

Packaging Digest Machinery, Materials, Guide. Cahners Publishing, Annual. This is a directory of manufacturers and contract packagers. The directory is divided by type of business conducted.

Packaging Outlook. West Chester, PA.: Packaging Strategies, Inc., Annual. This source gives the reader an idea of the growth and/or decline of the packaging industry in the coming years.

Packaging Sourcebook. North American Publishing, Annual. This is a great source to find information on the state of the packaging industry, as well as, a directory of packaging companies.

Creative Directories

Other good sources to use when job hunting are the various creative annuals. These annuals are good because they not only list companies and designer names, they will also give excellent examples of the designer's or firm's work.

Listed below are just a few of the creative directories subscribed to by the RIT Library.

Packaging Periodicals with Job Ads
