**How Does My Dining Plan Work?**

Included in the total meals per week (Any 20,14,10,5) are available meal options valued at $7.50 each. These may be used in any Dining Services’ location other than Gracie’s (excludes Nathan’s Soup & Salad and Java’s). For example: If you select the Any 20 Plus Dining Plan: During one school week, you purchase 14 meals at Gracie’s; utilize 6 of your meal options by purchasing meals at Crossroads Café & Market, Freshens, Artesano Bakery & Café, Brick City Café, The Commons, and Sol’s Underground; and spend $2.50 in food debit for beverages between class in a vending machine.

**Food Debit**

- Used to purchase perishable and non-perishable groceries and food items only.
- Save 8% tax on food purchases using food debit in RIT Dining Services locations including vending machines.
- Any unused food debit balances at the end of fall semester will roll-over 100% into spring semester. All funds must be used by the end of spring semester.
