For some reason, due to some technical difficulties, that last message was sent slightly ahead of schedule...Sorry about that. Let's try this again:

- Accepted Student Open Houses
  The first accepted student open house will be this Friday, March 30th. Thank you to the volunteers who signed up to work the table that day. However, we still need a few more volunteers for the April 13th open house. If you’d like to sign up, below is the Google Document with the shifts.

- ASA Heel Violence Walk
  On April 15th, we as a club would like to participate in the Hell Violence Walk that is being hosted by the Alpha Sigma Alpha sorority. You may have already received emails regarding the walk through the RIT Message Center. There will be a one mile walk on RIT's campus to benefit members of the deaf community who have been victims of domestic abuse. Participants, both men and women, are encouraged to walk the mile in heels, however this is not required. As a team, we were thinking about walking the mile in our riding boots to show our support as a team. The team will be sponsoring all members who would like to participate in this event by paying for their registration fees. If you would like to participate, please email Geena Baldi so that she knows how many people to register for the event. This is going towards a very important cause and we’d like to show as much support as we can. If you cannot make it, you can also make a donation towards the organization.

- Trail Rides
  Now that the weather is warming up, we'll be having two trail rides at Liberty Stables this Spring on Saturday April 14th at 9:30 and Sunday April 22nd at 2:00. The April 14th trail ride is designated for more advanced riders who would be more comfortable, due to the fact that the horses will be fresh in the morning and will have a bit more energy, so please keep this in mind. The trail rides will last for about one hour and it takes about 45 minutes to get to the stables. If you would like to sign up, please email Liz Andrew, specifying which date you would like to go on and whether or not you have a car.

Have a great week everyone!
