

# RIT Degree Program Licensure/Certification Pass Rates

December 2023

Program/College		Licensure Pass Rate 2022-23	Licensure Pass Rate 2021-22	Licensure Pass Rate 2020-21
Teacher Preparation Programs	MST/CAD	94%	100%	100%
	MSSE/NTID	89%	100%	100%
BS/MS Physician Assistant/CHST (First Time exam taker pass rate)		86%	91%	83%
BS Dietetics and Nutrition/CHST Note: Accreditor uses term Registration		N/A* Program closed	100% (of test takers passed the exam within one year of their 1 <sup>st</sup> attempt)	100% (of test takers passed the exam within one year of their 1 <sup>st</sup> attempt)
BS Ultrasound/CHST		96%	96%	97%
M. Architecture/GIS		69%**	80%	88%

\*The BS Dietetics and Nutrition program at RIT was closed as of August 30, 2023, and no longer has ACEND accreditation at the BS level. As of January 1, 2024 candidates for the national registration exam need to have a MS degree. When licensure exam data become available, it will be posted here.

\*\* Beginning in 2022-23, the Masters in Architecture program uses a three-year average to calculate pass rates due to low numbers of test takers.
