2016 Provost's Excellence in Faculty Mentoring Award Nomination Form

Provost's Award for Excellence in Faculty Mentoring Nomination Form

*Nominations will be accepted up to Friday, January 29, 5 pm.*

This award recognizes an RIT faculty member who has demonstrated an outstanding commitment to faculty mentoring by actively helping less experienced faculty in developing their career(s) at RIT by offering advice, feedback and guidance that reflects a deep understanding of their department, college and university.

A full-time RIT faculty member who has been in a mentee relationship with an RIT faculty member may nominate their RIT faculty mentor. The mentor must not have positional authority over the mentee, and should have acted as their mentor in a formal or informal capacity for at least one year and may not have won the Excellence in Faculty Mentoring Award in the preceding two years. Groups of mentees may nominate a single mentor. Self-nominations are not allowed.

Mentees making a nomination must submit a brief summary of their mentoring relationship and specific examples of how they have benefited from the mentoring relationship on the form below.
