

CROATIA INC.

Semester in Zagreb

Study in the business and economic hub of Croatia.

Gain insight into the business climate in an emerging economy and explore how Croatian government regulations, labor issues and financial systems shape local business practices.

Build relationships with business leaders and entrepreneurs as you visit local companies, hear from guest lecturers and study alongside Croatian students who will one day be an essential part of Croatia's business landscape.

Sharpen your business acumen by experiencing different cultural practices related to communication, negotiation and problem solving.
