Why study biotechnology & biomedicine in Denmark with DIS:

- Denmark is known globally for innovative thinking in drug development and for producing high-quality medical research.

- Copenhagen is part of Medicon Valley, a competitive life science cluster that attracts many successful companies to the region.

- The biomedical sciences are rapidly globalizing as medical discoveries, technologies and treatments have a worldwide impact and meet the needs of diverse populations.

- Fall, spring and summer programs offered at DIS are taught in English from respected faculty who are also professionals in the field.

- DIS provides opportunities for students to experience local culture with home stays, sports teams and clubs, student events or volunteering in the community.

Jordan Cardenas
RIT College of Science
DIS Biomedicine

"With topics including 3D printing organs, cancer research, and gene therapy, we’re given varying perspectives on the biotech field as it operates in the real world."

Courses taken at DIS:
- Diabetes: Diagnoses and Diseases
- Immunology
- Medical Biotechnology and Drug Development
COURSES

These DIS Biomedicine and Biotechnology courses are typically offered for fall or spring semester:

- Medical Biotechnology and Drug Development
- Philosophy of Mental Health
- Immunology
- Epigenetics: The Environment
- Medical Ethics
- Neroplasticity: From Neurons to the Brain
- Neurological Disorders and Disease
- Pregnancy, Birth & Infancy in Denmark

You’ll work with your academic advisor to select your courses and make sure the courses you take at DIS will count toward your degree program at RIT.

To Apply:
1. Go to studyabroad.rit.edu and login to the Compass (application database) and search for DIS Biomedicine.
2. Schedule your required meeting with a study abroad advisor Roseanne DiFlorio (rit.edu/global/AdvisorMeeting)

Plan 6 months to a year in advance to ensure proper academic and financial planning.

General RIT study abroad deadlines:*
*Note that the DIS application deadline may be different and programs fill up quickly

Applying for Summer programs: March 15
Applying for Fall semester programs: March 15
Applying for Spring semester programs: October 1

Program Cost

For current DIS program costs, visit disabroad.org/tuition-and-fees.

Cost listed on DIS website is an estimate for research/informational purposes only. The RIT Education Abroad office will provide you with a detailed budget worksheet that will outline ALL of your expected costs. You would then take the budget to your financial aid advisor to determine how your RIT aid and scholarship may apply.

Scholarships

- DIS Scholarships – available based on financial need, merit or diversity – disabroad.org/scholarships
- Gilman Scholarship – available for students who receive Pell Grant funding – gilmanscholarship.org
- Fund for Education Abroad – fundforeducationabroad.org
- Talk to your study abroad advisor about other scholarship options.
